## Experience

[linkedin.com/in/scott-littleton-1a1246161](https://linkedin.com/in/scott-littleton-1a1246161)

Creepy Hollow Designs - [amazon.com/handmade/Creepy-Hollow-Designs](https://amazon.com/handmade/Creepy-Hollow-Designs)

Graphic Designer, Tech Support, Manager

Primarily engaged in designing graphics, customer support, product customization, and tech support

- Graphic Design - Designed large portion of the companies graphics for use in everything from products to logos, banners, advertisements, etc...
- Product Creation - The nature of the company required creating products that could be generalized with a wide variety of designs and options.
- Customer Support - Handled every type of customer issue ranging from creating custom product designs to handling billing, shipping, returns and generally anything customers might need
- Tech Support - eCommerce website maintenance and improvement, handled all tech related issue, if needed to be fixed, updated, renewed, or otherwise improved
- Supply Coordination and Purchase - Applied fractional reserve principles to supply. Negotiated with overseas and local suppliers for materials including customized batches from manufacturers.
- Company Management - Involved in virtually all management level decision making.

### About Me

I have a background that ranges from studying a variety of social sciences to running a small business to teaching myself to code. I have found what I enjoy most is working with and learning about technology to build things.

## Education
